

SHIXALI GULIYEV

Front-End Developer

I am a front-end developer with 1 years of programming experience, specializing in HTML, CSS, JavaScript, React.js, TypeScript, Tailwind, Material UI, Bootstrap, Git/Github, Axios/Fetch, RestApi and Next.js. I am eager to learn and rapidly improving. I have experience in building dynamic and user-friendly interfaces using modern web technologies. Additionally, I have basic knowledge of Python and constantly strive to improve myself.
